I first heard this waltz from accordionist Karen Tweed, who recorded it with Andy Cutting on *Under One Roof* (2002). Jan Ekedahl is one of the pioneers of Swedish folk guitar, both as a guitarist and as an educator. In 1982 he co-founded the group *Gunnfjåuns Kapell* playing Gotland's traditional music. He now appears both as a soloist and in different groups. Jan Ekedahl, Storgatan 28, 62350 Hemse, Sweden. You can find more of his music at www.sjelvar.com/english/janne.html.
